Series II Volume VII

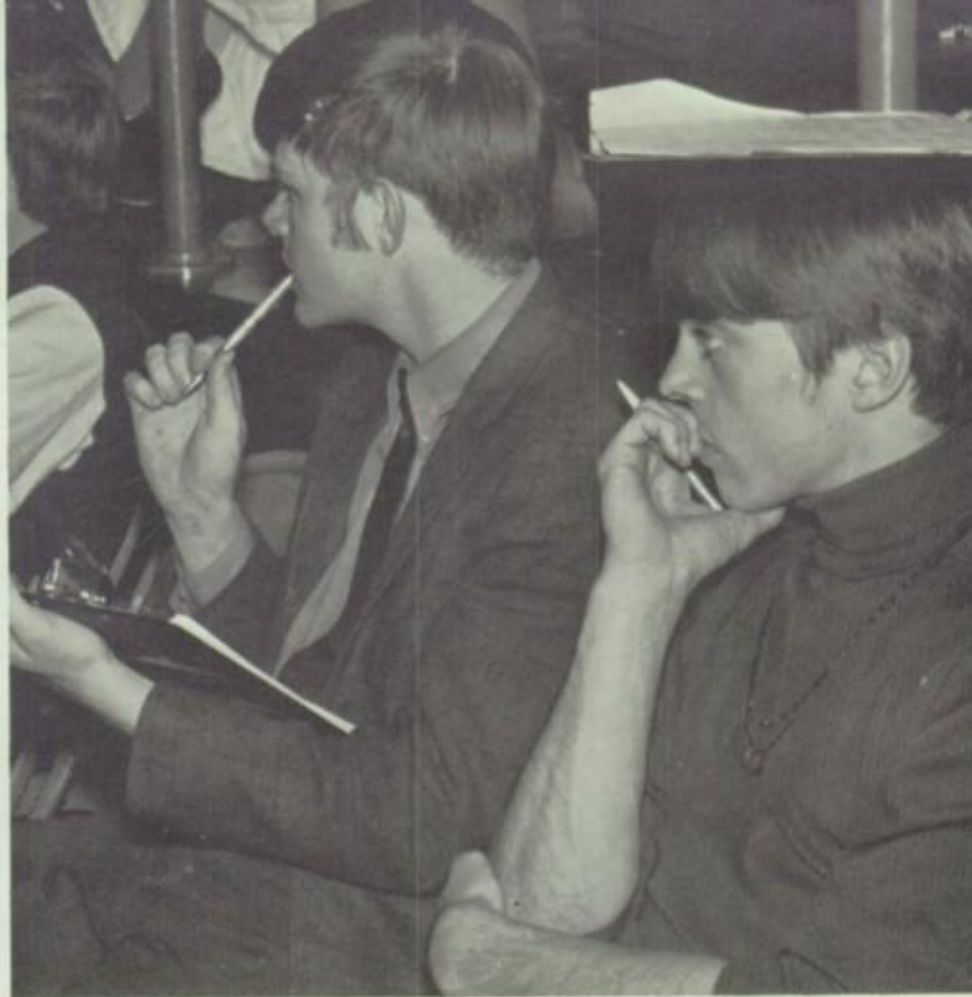

A TIME FOR US

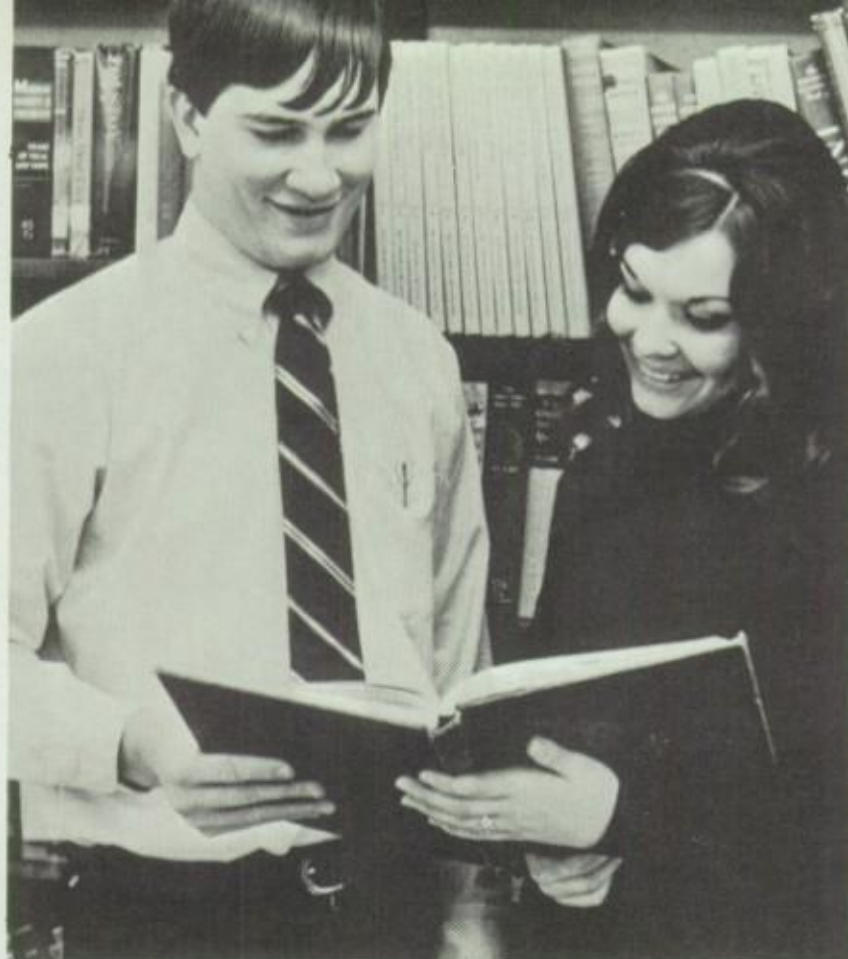

Go placidly amid the noise and haste,
And speak truth quietly.
Be yourself . . . for you are a child of the universe,
No less than the trees and the stars;
You have a right to be here.
In the noisy confusion of life, keep peace,
For with all its sham, drudgery, and broken dream,
It is still a beautiful world.
Strive to be happy.
